Where am I?

Lead Instructor - Finn Terdal

TA'S

Please introduce yourselves!

Get to know you!

1. Name! Also, any nicknames you prefer and your pronouns.
2. What are you excited for in this course, that you are giving up part of your summer to be here with me?!?!?
3. What is your dream job/company/role?
4. What do you eat when you want to treat yourself?

Course Outline & Class GitHub Repo

Let's take a look at what we'll be learning:

A Word on AI Tools

- Examples: ChatGPT, Claude, CoPilot
- Can be really useful!
- Sometimes VERY wrong
 - Learn to verify
 - Learn to give specific commands
- Can stunt learning
- ChatGPT: website vs integrated
- Please refrain until later in the course

Notes and Housekeeping

- We will take attendance every morning. If you are gonna miss, please let us know in advance. I will be treating y'all like this is a job.
- Lectures will be recorded.
- Camera's on are recommended but not mandatory.
- Please submit your assignments to the cohort spreadsheet before the morning of the next class at the latest.
